Barking Cat Books is pleased to announce the release of *Surviving Your Dream Vacation: 75 Rules to Keep Your Companion Talking to You on the Road*, by Pamela Carey, the popular author of *Elderly Parents with All Their Marbles: A Survival Guide for the Kids* (Barking Cat Books, 2014) and *Minor League Mom: A Mother's Journey Through the Red Sox Farm Teams* (Barking Cat Books, 2009).

It's been said that you never really know someone until you travel with them, and Pamela Carey shows why in this practical, indispensable (sometimes hilarious, shocking and poignant) guide for anyone who travels anywhere.

Join Pam, husband Charley and their friends as they experience the glories of Inca ruins and Mediterranean sunsets, along with irate drivers in France, a snake-infested resort in Maine, and where not to go in Madrid. Stand by their sides as they get to know the natives in Africa and Hong Kong.

Learn how to read between the lines in travel literature and on websites, how to get there, what to bring, what to know so you can fit in with the locals, what to do if you get sick, how to pace yourself when traveling, how and when to take pictures, avoiding rip-offs, all there is to know about tipping, and much more!

Also get the lowdown on travel companions, including how to choose one or more, what to do about snoring, how to make jointy travel decisions, and everything in between.
